

On Thursday, 24th March 2016, the Vice President of the Republic of Sierra Leone, Dr Victor Bockarie Foh, on behalf of HE Dr. Ernest Bai Koroma officiated in the formal commissioning of the construction of a state-of-the-art six storey building for the new Headquarters of the National Telecommunications Commission (NATCOM), Sierra Leone's national telecoms regulatory authority at South Ridge, Hill Station, in the capital, Freetown.

The \$7 M project which got off the ground under the Chairmanship of Mr Momoh Kemoh Konte, commenced in October 2015 and will be completed in November, 2017 to provide a conducive working environment for the Commission's staff.
