TO: ALL VSAT & ISP OPERATORS, AMATEUR/HF/VHF/UHF RADIO AND TELEVISION & FM STATIONS

The National Telecommunications Commission (NATCOM) regularly undertakes Regulatory/License and Compliance inspection across the country of all Information and Communications Technology (ICT) installations and services.

During the verification exercises, all Operators/Stations are asked to pay their outstanding bills to date and to comply with their license requirements like the use of only assigned frequencies and power settings for their systems.

The Commission would like to remind any institution that has not paid its arrears to honor all such bills within a period of one week.

Failure to do so will lead to disconnection, closure and legal proceedings for breach of the Telecommunications Act 2006 (as amended 2009) as well as the National Revenue Authority (NRA) Act.

The disconnection exercises will be robustly conducted by personnel of the Sierra Leone Police, NATCOM and the NRA.

All institutions that have paid their bills to date should ignore this notice.

ALL DEBTORS HAVE BEEN WARNED!!
